FOR DISCUSSION: - as time permits and as allowed by the Chairman.

Gary Warr thanked the club for their efforts in 2019 but raised his concern that grouping 125's with Classics caused problems due to different riding styles and techniques.

Chris Hacker agreed, adding his concerns that accidents could be caused by the different styles.

Chris Wiles suggested running 125's with A Group due to the limited number of expert riders. Paul Feltham agreed.

Wayne Coward said that entries in 2019 showed that classics were dwindling, and suggested running all classics in one group, Chris Hacker felt that would be unpopular.

Chris Wiles said that 125's were grouped with classics to allow more twinshock entries.

Committee to consider grouping for 2020.

Dave Pike said that entry fees will increase for 2020 due to increases in transponder, AMCA Insurance and medical cost increases.

Julie Wiles asked for new 2020 Membership cards.

Norman Lane trophy only has one space left on it. When filled Andy Coombs suggested removing oldest and moving it to the back to make room for new recipient.

Dave Pike closed the meeting, thanking Andy Coombs for stepping forward.
