Apologies

Chris Wiles, Julie Wiles

Minutes of the previous AGM – 2nd December 2023

Read and accepted

Matters arising

Nothing raised

Chairmans Report

First of all I would like to thank the committee team, club members and everyone else who's helped the club in any way possible this year. Our first race weekend was due to be held and at a new venue, Thornecombe. The track layout and location of this event was proving to be a little more difficult than normal but the committee team pulled together and had good plan to run this event. Unfortunately due to bad weather we had to cancel. The committee team set about contacting all the necessary people as fast as possible, this showed what a strong and well run small team Dorset classic have had this year. We moved on to our second race meeting of the year at our usual west bourton. With a few changes to the track, a decent turn out at the working party it was set to be a good day of racing. Unfortunately the great British weather decided to join in which made for a very wet and challenging day. How ever most riders had smiles of their faces and still enjoyed the day. We managed to run the full programme and get packed away by the end of the day. Moving forward into next year, we plan to run two scrambles but desperately need a venue to suit our June date. With another challenging year ahead the committee will really need to pull together to get the work done once again. It would be great to see some new faces and new ideas to help us along the way. Thank you

Treasurers Report

Opening balance	£14,695.29
Income	£10,701.22
Expenditure	£10,440.49
Closing balance	£14,956.02

Programme of Events

Nigel Revell Trophy Scramble - 1 June 2025

The Clash of the Titans Scramble – 21st September 2025

Items For Discussion & Proposals – As Time Permits.

Membership fees for 2025 to remain at £10

Report on the AMCA Classic AGM was given by Lewis and Wayne, very little impacting DCSC was discussed.

It was noted that the South West calendar is particularly full for 2025.

We only ran 1 event in 2024, the search for a venue continues. anyone have any ideas for land in 2025?

We still need more help as a club, once again this year we ran with a small committee, What can we do to encourage more support from the clubs members?

Gary Warr gave an interesting presentation on his drive to encourage Pre-74 classics, with suggestions that he may form his own organising club affiliated to the AMCA and the framework for a Southern Classic MX Championship. The committee explained that DCSC have always made Pre-74 riders welcome to our events, to the point of offering them free second bike entries, but that the number of Pre-74 riders entering was not sufficient to make an exclusive event viable. DCSC will remain supportive of Gary's aims to encourage this group of riders.
