Results after

Classic and Twinshock Scramble

South Coast Scramble Club, 10th September 2017

Due to technical issues, there was no report from the Somerset scramble. Hopefully, the issues will be resolved and the scramble will be included next year.

This meeting, started off dry and ended quite wet and slippery.

A great track was set up by the club with some tight, off-camber turns and a couple of long sweeping 'straights' before the corners. Plenty to keep riders on their toes.

The track was brilliantly located for spectating from the warmth and dryness of the van ☺ parking in the spectators parking area.

Quite a few riders did not make it. But those that did enjoyed some super racing. The 'Sounds of Thunder', 4 stroke feature race was great entertainment.
