About the Club

The club was formed in 2005 by a group of likeminded individuals and affiliated to the Amateur Motor Cycle Association, the National governing body for off road motorcycle sports.

The ethos for the club was set to provide scrambles for riders of all abilities and ages to have fun in a safe and controlled manner.

June 2006 saw the first event, a scramble catering for Classic (pre-1965), Pre 1974 and Twinshock bikes.

With the help of a very understanding farmer the event was a great success; in October that year the farmer allowed us back again for another super event.

Since then, we have had two Classic & Twinshock Scrambles each year at several venues (some just outside of Dorset) in the locality with a wide variety of terrains. Our events are now known nationally with riders travelling great distances to take part.

The Club has raised over £41,000 for local & national charities including The Dorset & Somerset Air Ambulance, Help for Heroes, Spinal Injuries Association, Julia's House, Alfie O'Neill Appeal, Mosaic Family Support, Ben Tickner Treatment Fund, CLIC Sargent, Wave 105 Cash for Kids Sahara Challenge, Ot Rock carnival Club, R.A.B.I., Prostate Cancer UK, Diabetes UK injured riders and Buckhorn Weston Church.

New Venues Needed - Can You Help?

Do you have any ideas for locations or contacts for new venues?

What we look for is a couple of fields together, with one fairly flat with good road access for the pits, and ideally some natural features and plenty of space in the main field for the track. Location should be roughly within approximately 25 miles of the North Dorset area.

There's no obligation in any expression of interest and we're happy to speak direct to landowners to explain our requirements and how we run. We're happy to pay for the right venues, as well as making contributions to a charity of their choice.

Email admin@dorsetclassic.com or speak to any club members here today, or drop us a message on the Facebook group

Kelvin Vincent Trophies

In 2022, Dorset Classic Scramble Club sadly lost one of its longest standing, much respected and prominent members, Kelvin Vincent.

To help keep his memory alive, in 2023 we were donated prize money, anonymously, to be awarded to the first four riders in a group, not necessarily the fastest, but those who are felt to be deserved to be honoured. In addition to this the club purchased trophies (to be retained by the winners) to go with the prize money.

The group chosen at the 2023 Clash of the Titans event was the Pre 74 up to 250 class, with the following riders winning the trophies:

- 1st Martin Farwell #27**
- 2nd Kevin Spencer #4**
- 3rd Steven Bowles #861**
- 4th Paul Andrews #22**

This will be an ongoing tribute to Kelvin and today trophies will again be awarded in a presentation which will take place at the end of the day's proceedings.

For those new to our sport, a little explanation may help you enjoy your day.

The Pre '65 group: white numbers on black plates. It's fairly self-explanatory - bikes manufactured prior to 1965, some modification is allowed but the bike should remain in the spirit of the period.

The pre '74 group: Bikes manufactured prior to 1974, up to 250cc have white numbers on green plates & white numbers on red plates for over 250cc. Both pre '65's & pre '74's groups are sub divided into two engine sizes groups.

Twinshocks: Black numbers on yellow plates. These are divided into ability groups, A being the faster group through to D for the less competitive minded rider. Engine size is not considered in these groups. Twinshocks should have two rear shock absorbers, drum brakes and an air-cooled engine. There are exceptions, such as the single shock Yamahas that you can see here today, but that opens up a whole can of worms.....
